

Study Plan Instructions

for students of the MSc in Economics and Development

October 2024

Between October 26 and November 21, 2024, as a student of the MSc in Economics and Development you should submit a study plan if you have not done so yet, or if you want to modify the most recent study plan you have previously submitted.¹ In your study plan you will specify the elective courses you will take -- an overview of information on possible choices and courses can be found [here](#).

Study plan submitted through Servizi Online You can (and should) use [Servizi Online](#) to submit your study plan if in a.y. 2023-24 or 2024-25 you enrolled for the first time in the MSc Economics and Development. [This page](#) provides instructions concerning the on-line procedure, including a pdf guide (called guida alla compilazione) and a video tutorial, in Italian. Please contact the person in charge of study plans² if you need assistance.³

Study plan submitted in paper form You need to submit a study plan in paper form if you enrolled for the first time in the MSc Economics and Development in a.y. 2022-23 or earlier, or if in the past you have submitted a study plan in paper form, or if you want to insert a PEP course in your study plan (please find [here](#) information on PEP courses).

- Please download the form from [this page](#): go to the line Economics and Development (LM) and click on – say – 2022 if you enrolled for the first time in the MSc Economics and Development in a.y. 2022-23.
- Fill in the form following the instructions [here](#) for the curriculum in Development Economics, [here](#) for the curriculum in Economics, [here](#) for the track in Behavioural Economics. Please pay attention to fill every field; the credits must add up to at least 120. Most of the “codici” you need can be found [here](#) or [here](#).⁴
- Send by email the form to the person in charge of study plans (see footnote 2), who will check it and contact you in case some amendments are needed.

¹ For instance, even a study plan submitted in Spring 2024 can be modified.

² Annalisa Luporini (annalisa.luporini@uniif.it) if your curriculum is Economics (including the track Behavioural Economics), Domenico Menicucci (domenico.menicucci@unifi.it) if your curriculum is Development Economics.

³ If you want to insert an Internship with 6 cfu among optional courses, then select Tirocinio (with codice B004980) from Laurea Magistrale Governo e Direzione d'Impresa in Regola 11 or Regola 12 in the study plan website. If you want to insert an internship with 12 cfu among optional courses, then select Tirocinio 12 cfu (with codice B033539) from Laurea Magistrale Accounting, Auditing e Controllo in Regola 11 or Regola 12 in the study plan website.

⁴ If you want to insert an Internship among optional courses, then please see footnote 3 to learn the name and the codice of the internship course.
