GENDER EQUALITY AND OPPORTUNITIES

University of Florence strongly supports your identity and your chosen name with the

Alias Career: request your student card with your chosen name on it.

We guarantee your privacy and there is no need to hand in any sort of medical documentation.

University of Florence promotes equal opportunities also offering funds for female students enrolling in STEM courses.

PER-UNIVERSITY DESK: Residence Permit

University of Florence in collaboration with the Questura of Florence has established the PER-University Desk to support students in **filling the postal kit necessary to request or renew their Residence Permit**

Residence Permit Application Procedure (ENG) available on the website

STUDENTS WITH DISABILITIES AND LEARNING DIFFICULTIES

The **Orientation and Welcoming Service for Inclusion** - in collaboration with Azienda Ospedaliero Universitaria Careggi - helps in planning an **individualized support study path** for students with disabilities and learning difficulties

- Technological tools
- Psychological support and counselling
- Support during the study path (for example peer- tutoring)

TUTORS FOR INCLUSION

The **Tutors for Inclusion** carry out coaching activities and provide help aiming at facilitating inclusion for:

- students with disabilities and learning difficulties
- students in prison
- students coming from Third World countries and refugees

STUDENT-ATHLETE DUAL CAREER

In order to balance between sport career and university study path, professional athletes can request the status of "student athlete" and receive dedicated services such as:

- Academic tutor
- Flexibility for exam calendar and lessons (when attendance is compulsory)
- Diploma Supplement certification
- Tuition fee exemption (as per the Manifesto degli Studi a.y. 24/25)
